

For more information please refer to the **CIHR Policy on Access to Research Outputs web site** (<http://www.cihr-irsc.gc.ca/e/32005.html>).

** Please note that at this time, it is not possible for CIHR supported researchers to deposit research publications in the U.S. PMC. However, CIHR and the Canada Institute for Scientific and Technical Information (CISTI) are planning the development of a PubMed Central International (PMCI) Canada site that will enable researchers to archive publications in this repository. If you are interested in depositing your research publications in PMCI Canada when it becomes available, please contact access@cihr-irsc.gc.ca.
